

NEW

TOP GUARD WASHI TAPE

For masking & surface protection.

CODES: 2TG-001 (Size: 100mm x 50m)
2TG-002 (Size: 150mm x 50m)

TOP GUARD Washi Masking Tape is the latest innovation in the Tapespec range of WASHI Masking tapes and masking systems. Its unique feature is the Zone coated acrylic adhesive structure, reverse wound and designed for quick easy application and removal, saving valuable time and money.

The TOP GUARD Tape protects and masks against damage and contamination from paint, plaster, concrete and weather / sun. Made from Ultra-thin extra strength Blue Washi Paper and Zoned coated with the premium grade acrylic adhesive.

KEY FEATURES

- Reverse wound to allow for easy roll out, for quick easy application (time saver).
- Extra strength Washi Paper backing allows for easy removal without breaking.
- Exterior – 60 days clean removal
- Mask against paint, plaster & concrete splashes, splattering & overspray.
- Protect surfaces from contamination & surface scratching.

ADHESION LEVEL:
Medium

SURFACE TYPE:
Smooth to semi textured

APPLICATION:
Interior & exterior applications

NEW INNOVATION
