

# PRE-TAPED MASKING FILM RANGE

## For Professional Painters, Contractors & DIY

### MAKE YOUR PAINTING PROJECT EASIER

Our Pre-taped Masking Film range is suitable for professional painters, contractors and DIY. It's easy-to-use, 2 in 1 product, protects your interior / exterior surfaces from splatters, drips & overspray. Not only just a protection but also giving you professional razor sharp finish lines at the same time.

### 2 IN 1 - Premium Washi Tape with Pre-Folded PE Plastic Masking Film

Our **Pre-Folded PE Plastic Masking Film** is made from a premium 9 microns thick virgin PE (Polyethylene) Film. The film is unique with an embossed pattern designed to hold extra paint & reduce any paint flaking off. It is corona treated which means paint sticks to the film & avoids any flaking.
