

RIPPA TAPE RANGE

Adhesive Message Labels

The Rippa Tape Range Selected for New Zealand

RIP STICK LABELS – PERFORATED MESSAGE LABEL SYSTEM ON A ROLL

Introducing a Premium range of self-adhesive message labels that are perforated and in roll form for ease of use. Made from a heavy duty Vinyl tape which is over laminated with a clear OPP Film to protect the label message from damage. An extensive range of message labels are available ex stock and if required special custom printed labels can be produced to order. At tapespec we pride ourselves on stocking the most expansive range of Self Adhesive Tapes for New Zealand's unique environment and conditions

Hazardous Warning Message Rip Stick Labels

Features: - Easy to use just tear on the perforation & apply to substrate. No messy release paper to remove. Special clear protective layer on the label to stop damage & scuffing. Labels are water & weather proof. Aggressive rubber adhesive which bonds to most substrates. Please note custom made labels are available with your own colour & instructions.

Benefits When Used: - Excellent for product identification & warning message. - Bold coloured printed message & symbols to illustrate potential danger.
